TRENANT PARK SQUARE

DELTA, BC

Trenant Park Square is located in the Ladner community of Delta, BC along Ladner Trunk Road which is the major east-west arterial in Delta, and turns into Highway 10 to Surrey when travelled far enough east.

Anchored by FreshCo and London Drugs, Trenant Park Square is the market dominant open centre in an affluent and established trade area that also services nearby Tsawwassen.

Delta's accessibility to and from other Lower Mainland communities will be greatly improved by recent and planned infrastructure improvements including the George Massey Tunnel Replacement Project which Delta is working on with the Ministry of Transportation and Infrastructure.
